

Extreme Networks Named a Challenger for the First Time in 2018 Gartner Magic Quadrant for Data Center Networking

August 21, 2018

SAN JOSE, Calif., Aug. 21, 2018 /PRNewswire/ -- [Extreme Networks, Inc.](#) (Nasdaq: EXTR) announced today that it is now positioned as a Challenger by Gartner, Inc. in the Gartner Magic Quadrant for Data Center Networking, July 11, 2018. Prior to 2018, Extreme Networks appeared as a Niche Player in the Gartner Magic Quadrant for Data Center Networking for several years.

Since the last report published in 2017, Extreme completed its acquisition of Brocade Communications Systems, Inc.'s data center networking business, its third in a series of acquisitions since October 2016. Extreme was also [named](#) a Leader for the first time in the July 2018 Gartner Magic Quadrant for the Wired and Wireless LAN Access Infrastructure.

Executive Perspectives

Ed Meyercord, President and CEO, Extreme Networks, Inc.

"Extreme Networks' Agile Data Center solutions deliver the automation, visibility, and flexibility needed to make digital transformation a reality for today's enterprise. We are excited to be recognized as a Challenger in the Gartner Magic Quadrant for Data Center Networking. We believe this distinction is evidence of the competitiveness of our Agile Data Center solutions portfolio, and our vision and commitment to the market."
