

## Extreme Networks Recognized as a 2018 Gartner Peer Insights Customers' Choice for Wired and Wireless LAN Access Infrastructure

November 20, 2018

### End-Users Cite Ease of Implementation, 'Rock Solid' Support, Advanced Security Features in Reviews

SAN JOSE, Calif., Nov. 20, 2018 /PRNewswire/ -- [Extreme Networks, Inc.](#) (Nasdaq: EXTR) announced today that it has been named a [2018 Gartner Peer Insights Customers' Choice for Wired and Wireless LAN Access Infrastructure](#). Gartner defines Wired and Wireless LAN access infrastructure vendors as those supplying wired and wireless networking hardware and software that enables devices to connect to the enterprise wired LAN or Wi-Fi network. The Gartner Peer Insights Customers' Choice distinction is based on feedback and ratings from end-user professionals who have experience purchasing, implementing and/or using the product or service.

ExtremeSwitching™, ExtremeMobility™ and ExtremeApplications™, part of Extreme Networks' Automated Campus™ and Smart OmniEdge™ solution portfolios, provide a unified wired/wireless infrastructure with single pane of glass management, helping organizations create a campus that is secure and easy to manage, end-to-end. [Users](#) praised our advanced technology, ease of implementation and our customer support in the latest Peer Insights ranking.

#### Here is a sampling of what Extreme Networks customers are saying:

- "Great customer service. Easy to work with. Products do what we need and more." – [Technology Coordinator in the Education Industry](#)
- "Highly scalable solution that has grown with our requirements." – [CTO in the Communications Industry](#)
- "Extreme enables me to provide a stable secure network to 2000+ employees. They are my team." – [Network Administrator in the Healthcare Industry](#)
- "Easy implementation backed up with rock solid support." – [Network Administrator in the Education Industry](#)
- "Extreme Networks is 'hands down' the best complete networking solution! From the edge, to the core, to the Data Center, to customer service." – [Network Administrator in the Government Industry](#)

Earlier this year, Extreme was [named](#) a Leader by Gartner analysts for the first time in the Gartner Magic Quadrant for Wired and Wireless LAN Access Infrastructure, published July 11, 2018. The company [was also recognized](#) by customers as a 2018 Gartner Peer Insights Customers' Choice for Data Center Networking in October.

#### Executive Perspectives

*Ed Meyercord, President and CEO, Extreme Networks, Inc.*

"Customer feedback is critical to the success of any business and at Extreme Networks we factor it into every decision we make – from acquisitions to product development to our services and support staff. Thank you to our customers around the world for continuously giving us the insight we need to build a leading enterprise networking portfolio, and for recognizing the innovative technology and services we offer to enable a seamless network experience, end-to-end."
