

Extreme Networks to Participate in Wisconsin State Telecommunications Association Fall Conference and Exhibition

SANTA CLARA, CA, Oct 08, 2009 (MARKETWIRE via COMTEX News Network) -- Extreme Networks, Inc. (NASDAQ: EXTR) today announced that, as part of its Rural Carrier Initiative, it will participate in the Wisconsin State Telecommunications Association (WSTA) Fall Conference.

At the event, Extreme Networks(R) will highlight their USDA RUS accepted Ethernet transport products that help enable carriers to increase network longevity by gracefully expanding video and other services on their network, delight their subscribers with proactive service management, and lower their total cost of ownership by deploying easy-to-operate next-generation networks.

The WSTA Fall Conference and Exhibition will be held October 12-14 at the Sierra Hotel Regency Suites/KI Convention Center in Green Bay, Wisconsin. Extreme Networks will be interviewed on the official show broadcast station, ViodiTV (www.viodi.tv) with a transcript of the interview published in Viodi View email newsletter. The company will also be sponsoring a luncheon session.

Extreme Networks, Inc.

Extreme Networks provides converged Ethernet networks that support data, voice and video for enterprises and service providers. The company's network solutions feature high performance and high availability switching that deliver insight and control enabling customers to solve their real-world business communications challenges.
