Extreme Networks Drives Conversations on Mobile and Personalized Learning at Leading Education Tradeshow

ISTE 2014 Booth Activities Include Innovation Sessions and VIP Demo Tours Featuring Analytics and BYOD

SAN JOSE, Calif., June 23, 2014 /PRNewswire/ -- [Extreme Networks](#), Inc. (Nasdaq: EXTR) today announced that it is empowering education environments at this year's [ISTE 2014](#) Conference. The Company is hosting Innovation Sessions with pioneers in educational technology and showcasing interactive demonstrations from digital student analytics to BYOD onboarding. With over 1,400 existing customer relationships with K-12 schools and districts, Extreme Networks is a proven leader in technology that addresses the needs of the K-12 environment by delivering market-leading wired and wireless infrastructures to help support BYOD, 1:1 learning environments and online testing. At ISTE, Extreme Networks will share insights and predictions on its technology that meets the growing K-12 trends and how its technology will impact teaching and learning inside and outside of the classroom.

WHERE: ISTE 2014; Georgia World Congress Center, Atlanta, GA
Extreme Networks Booth #848

WHEN: June 28 - July 1, 2014

WHAT: Extreme Networks will present leading edge [Innovation Sessions](#) and VIP demonstrations that: (i) highlight strategies and solutions for the future of learning and education; and (ii) focus on rising trends such as BYOD and software-defined data centers to meet the growing Wi-Fi demand.
