## **EXHIBIT INDEX**

<u>Exhibit No.</u>	<u>Description</u>
99.1	Letter from Ed Meyercord to Aerohive Employees dated June 26, 2019

June 26, 2019

Good morning all,

We are thrilled about joining forces with Aerohive! We are a customer-driven company with significant pent-up demand for cloud-managed solutions within our large base of enterprise customers and partners around the globe. Our plan is to invest in the technology you've pioneered over the last thirteen years and to leverage this platform for our customers. And, we plan on bringing our end-to-end networking solutions from the edge to campus core and cloud datacenter to the Aerohive customer and partner community.

For those who don't know Extreme well, we are a software-driven networking company with more than 30,000 customers, including half of the Fortune 50, with some of the most demanding network environments in the world. We are a pioneer in the networking industry with a reputation for high quality and high-performance networks and the fun fact of being the first to deliver 1gig, 10gig and 40gig ethernet switches. We are a global company operating in every major industry. We have 100% insourced customer service that is consistently ranked #1 versus our larger competitors by independent third-party analysts like Gartner and gives us a higher level of customer intimacy.

At Extreme we have a successful track record of acquiring and integrating strategic company assets. We look forward to helping you grow with an organization where networking technology is matched with values including teamwork, curiosity, transparency, candor and ownership.

I look forward to meeting you virtually later today via webcast along with a few members of our executive team who will be in the Milpitas office. I will be there on July 8th to hold a town hall meeting with all employees. Looking forward to this!

Best regards,

Ed Meyercord  
President & CEO  
Extreme Networks
