Extreme Networks Appoints Raj Khanna to Board of Directors

SAN JOSE, Calif., Dec. 18, 2014 /PRNewswire/ -- Extreme Networks, Inc. (Nasdaq: EXTR) today announced the appointment of Raj Khanna, an experienced industry executive, to its board of directors, effective Dec. 12, 2014. Khanna is an accomplished industry leader with a successful track record in corporate finance, internal controls and business strategy. He most recently served as vice president of corporate audit for Qualcomm, Inc.

Khanna's thirty plus years of experience spans leading high technology companies including Qualcomm, Sun Microsystems and Xerox. Throughout his career, Khanna has been instrumental in leading finance and internal audit teams, including the establishment of financial controls and processes, delivering financial investment and M&A guidance, and providing strategy and direction to business model changes.

"As Extreme focuses on building the business to become a leader in networking, Raj brings an impressive background of financial and business experience as a result of his time working with high tech industry leaders," said Chuck Berger, president and CEO of Extreme Networks. "With his strong financial acumen, Raj will immediately begin his service as a member of the Company's Audit Committee."
